ANNEXURE

PAY AS YOU DRIVE

This feature converts the base Own Damage cover into a Usage Based Insurance cover i.e. The Premium charged for the insurance of the base motor vehicle would depend partially on the usage i.e., Kilometers clocked or estimated Kilometers to be clocked during the tenure of the policy.

Coverages:

1. The premium is charged based on the selected kilometer range.
2. The kilometer-based plan, including initial and top-up kilometers, covers only the perils listed under Section 1 of the policy and would be effective for the same period as Motor Own Damage under section 1 of the policy unless and until stated otherwise.
3. Insured can choose the km range and can top-up kilometers by paying additional premium as needed during the policy period.
4. Claims under Section 1 are not covered after purchased kilometers are exhausted. However, a 100 km grace period is provided for accidents (not theft). If the vehicle is driven less than 100 km after exhaustion, the claim will be honored if the top-up premium is paid after the loss and within the policy period.
5. NCB is applicable on both initial and top-up kilometers, regardless of claims during the policy period.
6. In case of transfer of ownership, the new owner can use the remaining kilometers and other policy benefits, with applicable charges.
