1. WELLNESS REWARDS

We will offer members a chance to earn discounts on the renewal premium based on adherence to prescribed health actions and outcomes across multiple health requirements. We shall follow a structured approach, with adherence tracking and health outcomes assessed independently.

Total renewal discount applicable: 20%

- Initial Assessment: (Month 1): Activation of wellness reward eligibility. If this is not done, then no renewal discount will be possible.
- Adherence and Monitoring (Months 2-11): Up to 10% renewal discount based on:
 - Doctor engagement (5%)
 - Monitoring core health inputs (5%)
- Outcome Evaluation (Month 12): Up to 10% renewal discount based on health status.

In order to be eligible for renewal discount, users will be required to go through 3 key steps during the course of their membership:

1. Assessment (Month 1):
 - All retail customers aged 18+ must undergo a clinical analysis process involving a:
 - Health Questionnaire
 - Health Checkup

- Based on these inputs, the member is assigned a personalized health plan. If any member fails to complete this step, they will not be eligible for any renewal discount until they do.
 - This step will be accessible through the app in a cashless manner. The health checkup will be fulfilled by our lab partner and will be removed from the overall sum insured as per policy conditions.
2. Adherence and Monitoring (Months 2-11):
- The personalized health plan will be created based on health parameters in the following categories. Each category will have 3 tiers (Red, Amber, Green), which will inform the personalized programme that each member will be required to undergo:
 - Weight Management
 - Sugar Control
 - Heart Health
 - Renewal discount allocation for the above categories will be broken down into the following categories during Month 2-11:
 - Doctor Visits: 25% of all renewal discounts available will be allocated towards successfully completing the required doctor visits. These doctor visits are mandated to be with specified Service provider's doctors.
 - Tracking: 25% of all renewal discounts available will be allocated towards successfully completing the required tracking and logging. Each log will contribute individually to the renewal discount at the end of the year. These tracking mechanisms have to be logged in the app according to the specified Service provider's specifications.
3. Evaluation (Month 12):
- Renewal discount will be allocated based on health outcomes. If any member decreases in their health outcomes from the initial assessment, they will not be eligible for any evaluation benefit at the end of the year. This will be across all categories (weight, sugar, heart). e.g.

If all of the above are shown to be in green, then members are subject to a "Health Maintenance" programme which will ensure that all blood parameters remain in healthy status.

Adherence and Monitoring

Based on the user's initial assessment, the user will be given an adherence and monitoring plan by an doctor in the form of a prescription. This prescription will be shared through the application and will be required to complete. This prescription will outline a series of steps that the user has to take in order to improve their health. This will be a combination of:

- Doctor Visits
- Repeat blood samples
- 10,000 daily step count
- Meal logging
- Sugar logging
- Blood Pressure
- Weight

Depending on their health status. Each health action completed will contribute to the final discount premium on renewal and it will be directly proportional to the number of steps completed.

E.g. If a user is required to do 4 doctor visits in a year, they will avail 1.25% discount on renewal premium for each step done (5% total renewal discount available /4).

How tracking will be done:

Each action will be tracked through the specified Service provider's app:

- Doctor visits: Booking will be done through the app for video-consultations with specialists.
- Blood samples will be booked through the app, or reports are to be uploaded through the app in which date and time will be extracted from the report.
- Step counts will be measured from the app through android/iOS health integration.
- Meal logging will need to be completed via posting photos through the app.
- Sugar logging will need to be completed via posting sugar readings through the app.
- Blood pressure will be logged through the app using a photo of the BP monitor.
- Weight will be logged through the app using a photo of the weighing scales.

FAQ:

If evaluation is done at M3 instead of M1:

Renewal discount opportunity will remain the same, and Insured Person will be able to accrue the renewal discount pro-rata until Month 11. Month 12 will be entirely for evaluation and you will not be able to earn any renewal discount during that time.
