1. Preamble:

The premium collected on insurance premium forms part of the investment portfolio and is invested to generate returns. The investment function is responsible for the investments to be made by the Company and as a part of its process monitors the investee companies on issues such as performance, risk, capital structure, corporate governance and such other related aspects. This enables the Company to protect its investments placed with such investee companies and thereby protecting the interest of the policyholders.

IRDAI published Guidelines on Stewardship Code for Insurers in India vide reference number IRDA/F&A/GDL/CMP/059/03/2017. The Stewardship code sets out good practice on engagement with investee companies. These principles and guidelines are prepared to assist the investment team in fulfilling its governance and stewardship responsibilities.

2. Objective:

Stewardship policy and guidelines shall enhance the quality of the communication between the company and investees, to help improve and protect stakeholders' interests and ensure exercise of governance responsibilities by investee companies. While the process of investments is governed by the 'Investment Policy, the Stewardship Policy [Policy] sets out the principles and processes in engaging with the investee companies while exercising voting on various resolutions from time to time.

3. Scope & Applicability of the policy:

The policy will apply to the right as an investor in Fixed Income/ Equity instruments of various category of companies including the Sovereign, PSUs, and Private companies. This Principals and Policy Guidelines will be reviewed annually and approved by the board.

4. This policy on Stewardship shall be based on the following principles

Principle 1 – Frame a Policy on Stewardship and Discharge of stewardship responsibilities:

The Company frames the policy on stewardship and provides flexible but robust framework in guiding the management to efficiently fulfil stewardship responsibilities. The management team along with the Investment team

1. Shall endeavour to have cordial relationship with investee companies. Regular financial and other information shall be sought from the company/trustees, the investee company's progress and prospects shall be regularly monitored.
2. Shall ensure that core function of investment is not outsourced.
3. May take professional advice or consult other institutional investors and research reports like Market survey data, Industry wide analysis business valuation etc from external agencies to arrive at voting decisions. However, the final decision of voting will be made by the Investment Management Committee.
4. The voting on shareholders resolutions is done with a view to:
 - a) Enhance value creation for the shareholders/investors and the investee companies from a long term perspective.
